THE HACAWA, 1995
Angie Earnhardt, editor

BEGINNING IMPRINTS

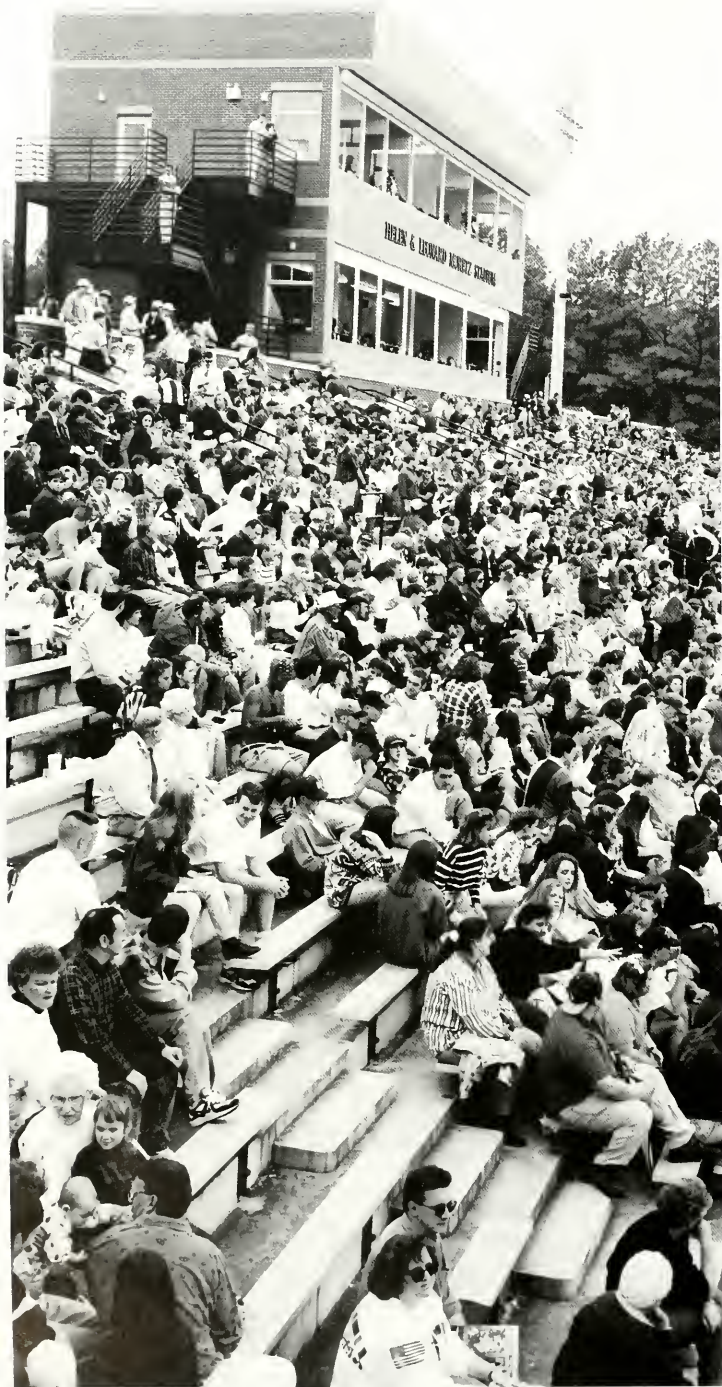

Our first college footprints begin with that initial step onto the campus that has become our new surroundings. From the first day of Prologue, we begin imprinting memories when we meet our new roommate, build teamwork on the ropes course, and enjoy a friendly game of volleyball. Prologue will always be remembered as a week of new experiences and the start of our first college footprints.

HOMECOMING IMPRINTS

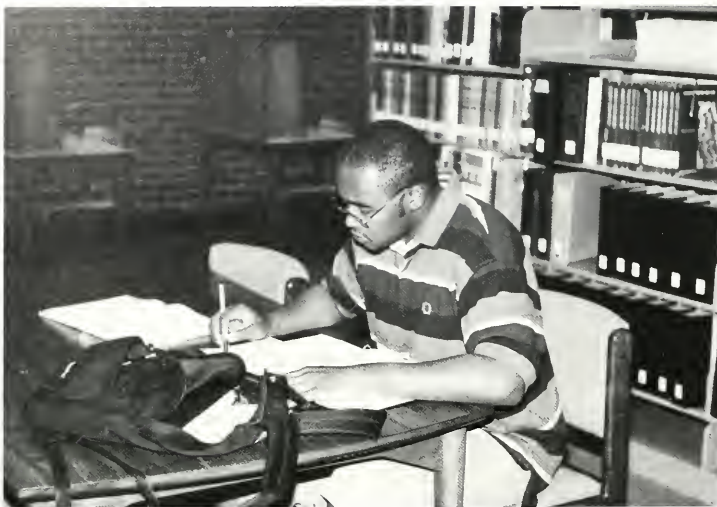

Most of life's paths lead us in different directions, but one set of footprints continue each year to lead to the same destination. No matter where our journey in life takes us, each year our footprints unite us and form one large bear claw that is Homecoming.

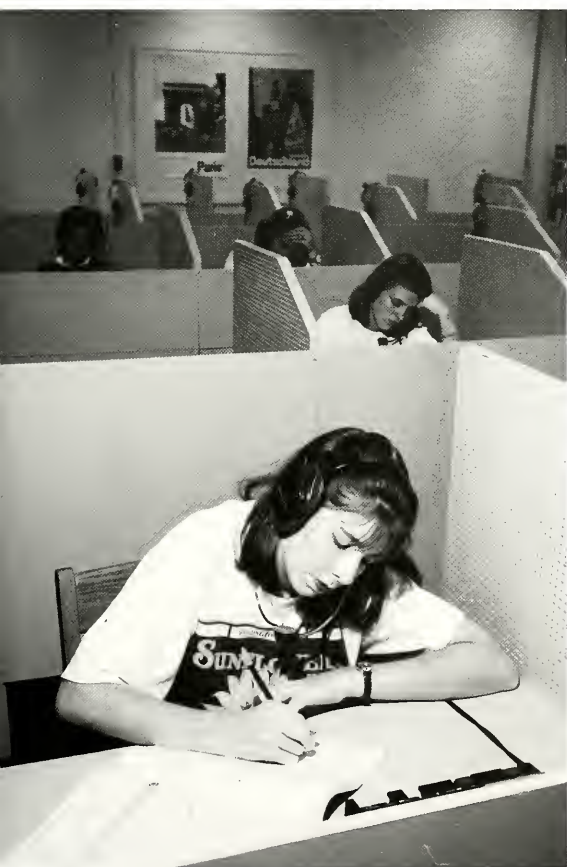

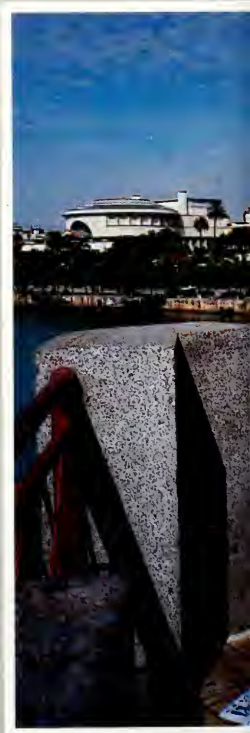

ENLIGHTENING IMPRINTS

During our college journey the most fulfilling footprints are taken while walking down the road of knowledge. By studying, learning, and teaching, we prepare ourselves with the necessary skills to make our future footprints.

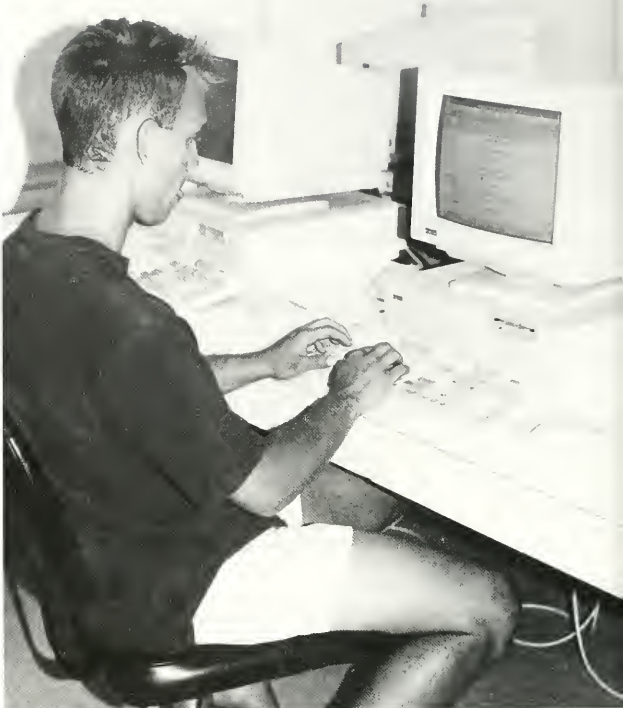

Lenoir-Rhyne students study abroad. Below left: Four students are in Spain, pictured near downtown Seville. Below right: Students gather at Harlaxton in England in the Fall of 1994.

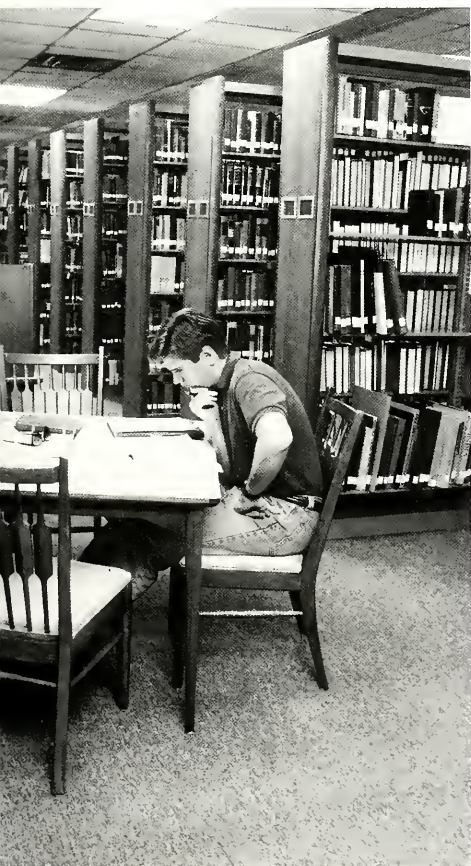

INDIVIDUAL IMPRINTS

As we go through life interacting with many different people, occasionally it is important that we also have individual footprints. Achieving through our own self-motivation is what makes us different from others. To find life fulfilling each of us must make sure that some of our footprints are taken alone.

JOYOUS IMPRINTS

Life's most memorable footprints are ones made in celebration. Our college years are filled with joyous imprints, like Homecoming, athletic victories, and rewarding events.

Superplayer Leonard Davis dances into the end zone for another TD in the Homecoming game with Newberry.

Inducted into the Sports Hall of Fame at Homecoming were (left to right) Hank McCrorie, Giles Setzer, and C.A. Frye.

UNITING IMPRINTS

*At times our footprints
bring us together to focus
on a common goal.*

ENDING IMPRINTS

Your college footprints end as you walk down the aisle to receive that long-awaited degree. You realize that one segment of your educational goal is complete, but you have many new learning experiences still ahead, as you venture out into the world. Graduation ends the college imprints you make; but new, exciting, life-long imprints are just ahead.

DEDICATION

Life is a series of footsteps that take us on our journey. Each person we encounter along the way provides us with the insight toward making that next footprint.

The recipient of the 1995 dedication of the HACAWA has encouraged students to seek their full potential and to leave behind a footprint that will make a lasting impression.

Our recipient has served the college community for over 30 years. He personifies the professional and caring reputation that Lenoir-Rhyne expects from its faculty. Any student who speaks with him can immediately see his excitement and mastery of his subject.

He is a well-rounded individual whose work ethic and sense of loyalty for the institution mark him clearly one of our most dependable faculty members.

He has twice served as chairman of a Lenoir-Rhyne presidential inauguration. In 1980 he chaired the college's self-study for the Southern Association of Colleges.

The recipient of both the Bost Teaching Award and the Roediger Service Award, our recipient has been a member of major college committees, including the Executive Committee.

A graduate of Lenoir-Rhyne College and possessed with a strong sense of love and service for Alma Mater, his distinguished career has been characterized by devotion to church, love of teaching, and concern for the welfare of students.

Perhaps our recipient is best known for leading us through our final steps at graduation as the college marshal. He walks with us when we enter as seniors and he will walk with us when we take our final steps as graduates.

With great pride the 1995 HACAWA is dedicated to

WILLIAM H. SHUFORD

HISTORY SOCIETY FOUNDED ON CAMPUS

At the conclusion of the spring semester, (May 1, 1994), Phi Alpha Theta International Honor Society in History, established a chapter on the campus of Lenoir-Rhyne College.

Phi Alpha Theta was organized at the University of Arkansas in 1921. Its purpose is to promote the study of History through the encouragement of research, good teaching, publication, and the exchange of learning and ideas among historians.

The initiation ceremonies, held in the College cafeteria, were conducted by representatives from Winthrop University. Received into membership in the charter installation were: Mr. Burl McCuiston, Dr. Carolyn Huff, Dr. Russell Benton, Dr. Ellis Boatmon, Professor John Fogarty, Heather Shields, Steve Periconi, Stephen Guy, Bill Spedding, Rodney Bobak, Sandra Jahn, and Becky Smith.

The society's officers are shown left being inducted by a representative from the Winthrop Chapter.

HOMECOMING: MARDI GRAS

"Mardi Gras: implies celebration and parties, and homecoming week was filled with just that. The Cafeteria staff kicked off the week with Cajun dishes, while a Jazz singer entertained.

On Wednesday night, Program Board sponsored a karaoke-and-wings night in the Bears' Lair. A Mardi Gras street party and cookout were held on Thursday night, and the movie "Blink" was shown in a drive-in format on Friday night in the parking lot of Shuford Gym.

On Saturday, the community came together for the Homecoming parade, followed by the football game between Newberry and LR. The Bears won, 45-3.

At halftime, Miss Kim Semegen, a junior from Spring Hill, Fla., was crowned Homecoming Queen.

Earlier in the day, induction ceremonies were held for the LR Sports Hall of Fame, receiving into the Hall C.A. Frye, Giles Setzer, and Hank McCrorie.

RYAN LAHURD CHOSEN 10th PRESIDENT

May 24, 1995 marked the beginning of a new set of footprints for Lenoir-Rhyne College. As Dr. Ryan LaHurd stepped in as the 10th president of the college, he made the imprint that began the next set of presidential footprints. Dr. LaHurd is shown at right with Board Chairman Reverend William Milholland at the time his selection was announced.

Former vice president of Academic Affairs and Dean of Augsburg College in Minneapolis, Minnesota, Dr. LaHurd has served on many different committees and visited many countries. His wife, Carol (shown below with President LaHurd at Homecoming), is a professor of theology, and his children Jeremy and Kristen attend college.

At the opening convocation of the school year, President LaHurd noted that "we must create an environment that is hospitable to new and different ideas and people."

PROLOGUE, '94

Prologue, held each year as the school year begins, is the big introduction to Lenoir-Rhyne for the freshman class.

This year, the Prologue activities were headed by Jen Oelkers and Eric Childers (seen below). They were joined by numerous other upperclassmen.

There was a lot of emphasis upon volleyball, which was played in the beautiful August weather all day. This also gave the freshmen the opportunity to meet each other.

There were tests to determine placement, registration in Shuford Gym, and the excitement that comes from new places and new people.

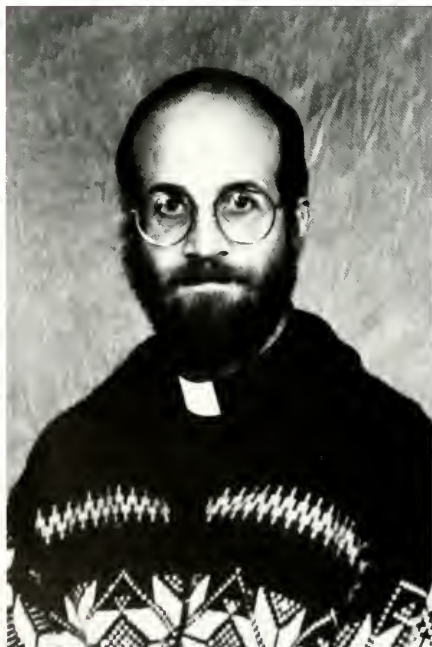

THEOLOGY MEET

Nearly 200 members of clergy and laity attended the second annual Aquinas & Luther conference "What is the Church?" hosted by the Center for Theology at Lenoir-Rhyne.

Held on campus November 2-4, presenters from all over the United States and Europe explored the church as an institution in both Roman Catholicism (as interpreted by St. Thomas Aquinas) and Lutheranism (as interpreted by Martin Luther).

Dr. Michael McDaniel, director of the Center and professor of religion at LR, coordinated the conference.

Presenting papers at this year's conference were Dr. David Yeago, Dr. Dennis Janz, Dr. Robert Wilken, and Dr. Ralph McNerny.

COLLEGE PASTOR CHOSEN

The Reverend Andrew F. Weisner of Chicago has been chosen to serve as pastor of Lenoir-Rhyne College, beginning January, 1995.

Weisner is a 1979 graduate of Lenoir-Rhyne, received a master's degree from Lutheran Theological seminary in Gettysburg and Lutheran School of Theology at Chicago, where he is currently a doctoral candidate.

For about six years he was the senior pastor of Lutheran Church of the Resurrection in Greensboro. He completed a vicarage internship in New York City.

Weisner will have the title "college pastor" rather than chaplain. He succeeds the Reverend Donald Just, who relocated in Texas.

WRITER SERIES IN SEVENTH YEAR

enoir-Rhyne College continued its Writers Series, under the direction of Dr. Rand Brandes. The series is currently in its seventh year.

FOOTPRINTS, '94-'95

O.J. Simpson always lived life on camera, first as a football star, then as a sportscaster, commercial pitchman and actor. But nothing could have prepared him, or his fans, for the role he would play in 1994.

Simpson was suspected in the brutal slashing murder of his ex-wife Nicole and her friend, Ronald Goldman. But it was his arrest that proved unforgettable. Instead of turning himself in as promised, Simpson had a friend drive him on a rambling jaunt along southern California's freeways. The police followed behind at a discrete distance, heeding a warning from Simpson's driver that O.J. had a gun.

Eventually O.J. surrendered himself and so began what many called the most famous murder case in American history.

Above: They headed north on almost anything that would float, including rafts made of the flimsiest materials: oil drums, inner tubes, wooden planks. They were Cuba's boat people, but few of them made it, for the U.S. Coast Guard intercepted more than 1,000 of the craft in one day. The U.S. eventually agreed to admit at least 20,000 a year.

Below: The U.S. went to the brink of invading Haiti, but at the last minute Haiti's military rulers bowed to the U.S. and promised to cede power to the duly elected president, Jean-Bertrand Aristide.

Above: It was a rainy month in Georgia, where two weeks of flooding in July killed 31 people, destroyed bridges and roads, and hit farmers particularly hard.

Below: On the south lawn of the White House, with President Clinton watching, Israeli Prime Minister Yitzhak Rabin and King Hussein of Jordan shook hands in peace. They had been enemies for six decades.

The civil war in Rwanda began with a plane crash that killed the president. Before the year was over another 500,000 Rwandans had been killed and another 2 million had fled the African nation for the relative safety of refugee camps inaire and other neighboring countries.

The civil conflict was between the Hutu tribe, which comprises 90 per cent of the population, and the Tutsi tribe, which counts for 10 per cent.

FOOTPRINTS, '94-'95

NEW ORGAN INSTALLED

One of the features of the Mauney Music Building is a new organ, which has been recently installed.

The organ, made possible by a donation from Thomas W. Reese of Hickory, will be the primary teaching organ for Lenoir-Rhyne music students. Custom-designed and crafted by Gabriel Kney and Company of London, Ontario, the instrument was installed over a period of days by Kney himself in the choral room of the music building (right).

Associate professor Larry Lowder stated, "We've dreamed of a new organ for about 20 years." Professor Lowder is shown at the organ keyboard below.

Lowder added that the new instrument is a tracker organ, which means it produces sound with mechanical rather than electric pneumatic action. Tracker organs are patterned after those of the 17th and 18th centuries, when most organ literature was written. Tracker instruments can authentically reproduce Baroque and later music designed for those instruments.

Lowder said the new organ, with 1,440 pipes in a red oak case, was designed and had been under construction for more than a year. Pipes are made of tin, white pine and/or mahogany.

Dr. Marilyn Keiser, concert organist and professor of music at Indiana University, was the featured performer at a recital to dedicate and inaugurate the new organ on April 9, 1994.

The Reese donation was made in the name of his mother, Myrtle Settlemyre Reese, who was organist at various Lutheran churches where her father was pastor. The Reese gift was made as part of LR's Centennial Renewal major gifts campaign.

PAULETTA PEARSON "COMES HOME"

In August, 1994, actress/singer Pauletta Pearson came home." The former Lenoir-Rhyne student gave a vocal performance in a sold-out Newton-Conover auditorium on August 6.

1972 alumna and Newton native, Pauletta Pearson, performed with John Coffey '72 of Hickory. Pearson has performed in film, on Broadway, and even sang on the soundtrack of the Oscar-winning movie *PHILADELPHIA*.

After two years at LR, Pauletta transferred to the N.C. School of the Arts to continue her music studies. But she never forgot her roots. "I really have a lot to be thankful for at Lenoir-Rhyne," she noted.

While at LR, Pauletta developed strong friendships with the late Kenneth Lee of the music department and with Professor Thelma Rast, who retired from the faculty in 1994. Professor Rast said, "Pauletta was a very good student, a very fine pianist and had a beautiful voice."

Mr. Glen Whitesides, formerly of the LR English

department, was helpful in getting Pauletta launched in the Miss Newton-Conover Pageant. From there she went to the Miss North Carolina Pageant, where she placed second.

Now a full-time mother to John David, 10, Katia, 6 and 3-year old twins, Olivia and Malcolm. Pauletta is married to Denzel Washington, Oscar-winning screen actor for *GLORY* (both are shown above).

Pauletta tried out for six *Flags Over Texas* where she landed a part as a principal performer. From there she appeared in *JESUS CHRIST SUPERSTAR*, *SOPHISTICATED LADIES*, and *JERRY'S GIRLS*. Pearson met Washington while appearing in the television movie "The Wilma Rudolf Story."

Now living in California, it was a sentimental trip back east for Pauletta Pearson, who helped dedicate the new civic auditorium in her hometown. Her husband and children were on hand for the concert.

CAMPUS LIFE

A REFLECTION OF PAST FOOTPRINTS

Each footprint we make is linked to our past footprints. As we journey through our college experience, we become more independent and begin to mold our character and personality to guide us in future endeavors. Campus life is an important aspect of our character-shaping. Through our interactions with friends we learn about others and ourselves.

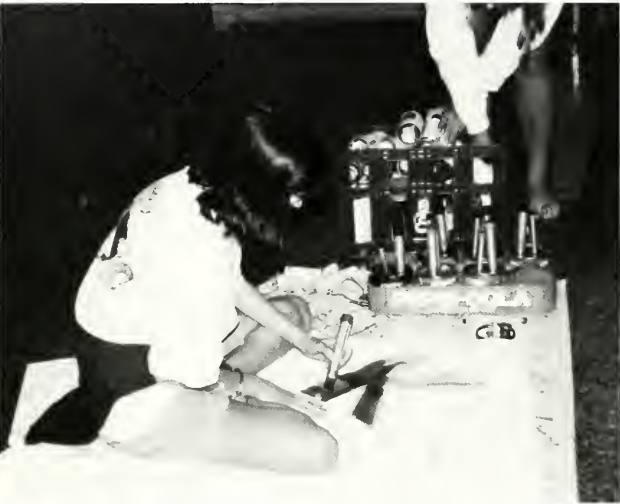

*As we watched our college
footprints begin . . .*

We felt a need to become involved . . .

The Kappa Delta Sorority held their annual 24-hour Swing-A-Thon on October 8-9, beginning at 8 AM. With the help of 54 participants the sorority successfully raised \$1058 to aid the Children's Protection Council in Hickory.

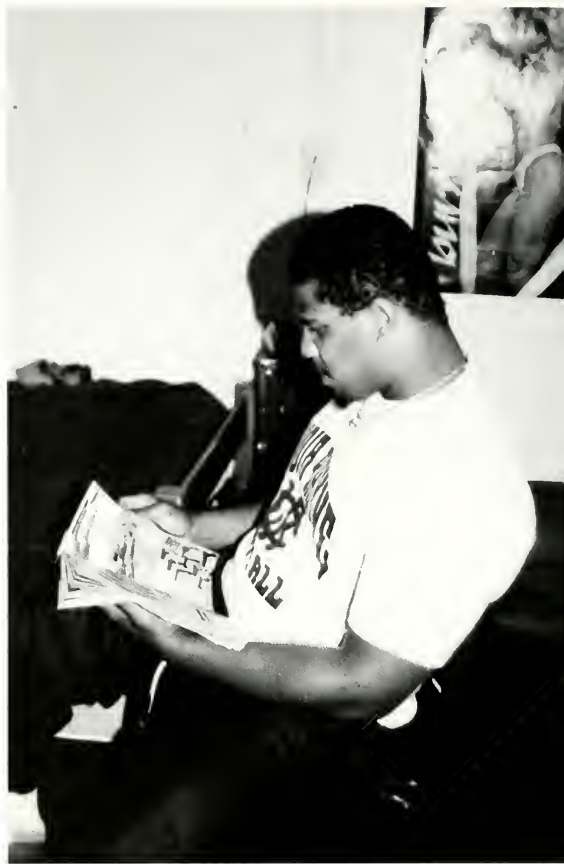

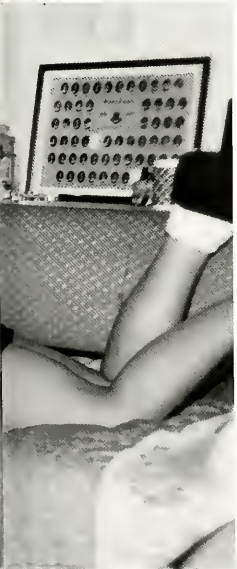

*No matter whether our footprints headed toward
entertainment . . .*

*Or guided us to the
peacefulness of the place
we call home.*

*All of our footprints led us to the
time of our lives . . .*

*And left us praying that our future
footprints would be as memorable as
the ones we left behind.*

FOOTPRINTS TO REMEMBER

Ventriloquist Lynn Trefzger, who has performed on LIFETIME and MTV Comedy hours, gave a side-splitting performance for the LR community. With the help of her audience assistants, she kept students and faculty astonished with her vocal talents.

SPRING FLING

Spring fling was held in Moretz Stadium this year. Everyone enjoyed baseball, volleyball, and jello fights. Thanks to Program Board and WLRC for providing the music. Spring Fling, '94 was a huge success.

One of the main events of Greek Week was a lip-sync contest. Although it was open to all Greeks, only the sororities participated. Each had their own individual "style" of performance.

Hypnotist Chuck Milligan amazed students with his act, sponsored by Program Board. Many students showed up to hear Salisbury sophomore Chandler Shaw tell them to "Quit pissing in the pool," after being told by Milligan that he was a lifeguard.

Other students slept through most of the performance when they were given the command to sleep. But not everyone on stage was asleep. In fact, one couple began showing affection when the hypnotist told them that the person beside them had an erotic scent.

ACADEMICS

THE PRESIDENT

Dr. Ryan LaHurd, tenth president of Lenoir-Rhyne college, joined the college community in mid-July.

A graduate of the University of Wisconsin-Madison, Dr. LaHurd stated, "I think that the presidency is a calling, in that I believe God gives people talents, interests and abilities which can make contributions to the community."

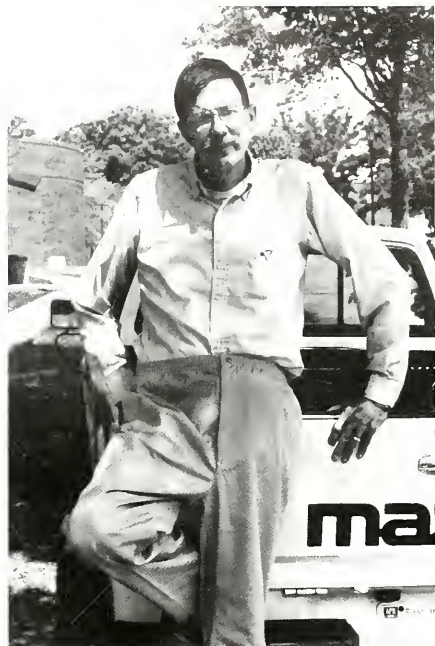

Dr. LaHurd quickly became a part of the LR family. He not only is a well-read scholar, but he may also be found at athletic events and he recently attended classes to learn sign-language. He said, "I realized this was an important part of our community and I didn't want to be left out."

President LaHurd is shown at right at a television station in Charlotte, where he was a guest at a noon show in which he demonstrated some of his cooking skills. Below is President LaHurd with his wife, Dr. Carol Schertsen LaHurd, who is a member of the University of St. Thomas, St. Paul, Minn.

IN MEMORIAM

Dr. Charles Wells, professor of biology at Lenoir-Rhyne, died in April, 1994. In the picture below, family members are joined by faculty and students in planting a tree in Dr. Wells' memory.

PEER EDUCATORS

CELICE ESTABLISHED AT LR

As the landscape of the United States becomes more multicultural, institutions such as Lenoir-Rhyne must change to offer a product in step with the rest of the world.

To that end, LR has established the Center for English Language and International Culture Exchange (CELICE) to support international students as well as coordinate services and a cultural immersion for both the international students and for LR's more traditional population.

The program is directed by Dr. Marion Love shown at right with Russian instructors Larissa Kaminskaya and Marina Birjukova. Dr. Gabriele Weinberger will serve as director of volunteer services with Lynda Kirby serving as director of activities and scheduling. Dr. Berk Smith directs cross-cultural programming.

A group of international students in the CELICE Program is shown below.

AIDS AWARENESS WEEK

AIDS Awareness Week began at Lenoir-Rhyne on January 30 with a convocation led by Beatrice Kerr (below right), a 25-year old woman living with the AIDS virus. MTV personality Judd Winnick (right) spoke on February 3. A special guest during the week was Jeanne White (below left), mother of the late Ryan White. Mrs. White founded the Ryan White foundation to promote understanding of AIDS.

LR students (above) spent the week creating and distributing red ribbons to help the campus become conscious of AIDS.

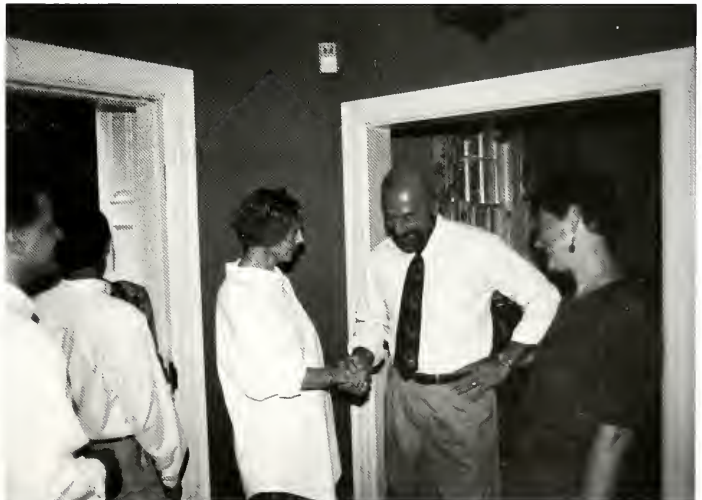

Pre-registration is a "happy" time for faculty and students. Two members of the faculty are shown above engaged in this delightful chore: Dr. Robert Eckard (left) and Dr. Ruth Bookstaber (right). Right: Dr. Kathy Ivey, director of the College Writing Center.

FACULTY/STAFF PRINTS

Above left: Dr. Ellis Boatmon, founder of the Greek Awards ceremony in 1966 is shown with Molly Sessoms, 1994 recipient of the Community Service Award. Above right: Mrs. Edrys Ashman of the library staff is shown assisting a student. Below left: Jackie Brown, residence director of Price Village and assistant in Student Services, is shown introducing a performer as sponsored by Program Board. Below right: President and Mrs. Ryan LaHurd are shown greeting Dr. Jane Jenkins at an open house reception.

These Are The Footprints We Left Behind . . .*

*. . . And These Continuing Prints
Lead Us Toward The Future.*

We have left behind footprints — happy footprints, busy footprints — and now we are ready to assume different steps and with them, different footprints. But we shall always remember the steps we have taken here during four years — the steps we took as Bears, the footprints we leave behind with Alma Mater.

A college yearbook is a pictorial record of a year. It is a reminder of the people and places that have formed this academic year, the footsteps we have taken on our educational journey and the footprints we have left behind.

I would like to begin by thanking the two photographers who captured this year's footprints on film. Their time and talents have helped create a memorable book that each of us can cherish.

A special word of thanks to James Labrenz of Insight Photographic for the professional quality he provides each year. It has often been said by Josten's field representative, Bill Hall, that the HACAWA's color pictures and the quality they represent are outstanding. We have James Labrenz to thank for this and we do so with pleasure. James is a valuable part of the HACAWA family and we are most grateful for his friendship and his talent.

I would also want to thank David Thomas, a sophomore from Salisbury, N.C., who served as director of photography and provided most of the pictures in the campus life section. Without David's time and dedication, many of the Prologue and Student Government events would have not been included. Thank you, David, for all your help and support with this year's HACAWA.

The HACAWA also included pictures by Jeff Oberg (LENOIR-RHYNEAN), Dr. Russell Benton, Phil Robinson, Jeff Willhelm (Catawba Valley NEIGHBORS), Tammy Wilson, and Denise Smith.

Many thanks to Mrs. Dottie Crafton, our typist. Dottie is a valuable part of our yearbook team and we thank her for her interest and contributions. Also, we express our gratitude to Iris Moore of the Business Office who has provided assistance year-after-year. Her pleasant personality makes the paper work of the yearbook more bearable.

A special word of thanks to our Public Relations Office. Not only have they provided pictures but also press releases. A special "thank you" to Michael Parker, PR secretary, for all her personal help.

We are deeply appreciative of the help provided by Tom Neff, sports information director at LR. Tom provided pictures and copy and showed a personal interest in the HACAWA. Our coverage of athletics at LR included much help from Tom.

A special word of thanks to Bill Hall and to Josten's for providing quality publishing service and helpful advice. Thanks to our in-plant adviser Jakkie Davis for all her help.

Thanks to Delmar Photography of Denver, N.C., who was our photographer for the class pictures. The association was a most pleasant one.

Thanks to Coaches John Hamilton and Tom Melville who assisted us in preparing the sports section and "many thanks" to Wade Wolgemuth and Kyle Wolf for all their help.

My sincere appreciation to Dr. Ellis Boatmon, who strives successfully to make each edition of the HACAWA a memorable one. Thank you for your guidance and support.

To my beloved parents: I love you. You have guided me to become the person I am today. Thank you for being my biggest supporters. You have followed my footsteps since they began and I hope that each footprint will make you proud.

Finally, congratulations to the graduating class of 1995. May your footsteps always lead you to your dreams and may your footprints be everlasting. I wish each and every one of you the very best that life has to offer.
